

Equity in Athletics Disclosure Act (EADA)

**Report on Athletic Program Participation
Rates and Financial Support Data For
Fiscal Year**

July 1, 2022 – June 30, 2023

INTRODUCTION

The Equity in Athletics Disclosure Act Survey (EADA) was designed to make current and prospective students and current and prospective student athletes aware of an institution of higher education's commitment to providing equitable athletic opportunities for its men and women students. The EADA requires the disclosure of information about varsity teams and the financial resources and personnel that the school dedicates to those teams.

The EADA requires any coeducational institution of higher education that participates in Title IV, the federal student aid program, and has an intercollegiate athletics program, to comply with the EADA by preparing an annual report, officially called The Report on Athletic Program Participation Rates and Financial Support Data; more commonly known as the EADA Report.

Institutions must submit their EADA data to the Secretary of Education within 15 days of making it available to students, prospective student-athletes, and the public. The sole mechanism for submitting the data is via the EADA Web-based data collection, commonly known as the EADA Survey.

In 2018, HU hosted its inaugural tryouts for males and females with its first and only varsity athletic opportunity, esports. For the 2022-2023 academic year, the program consisted of eSports with two team games.

As required by law, this report was electronically circulated to each HU student and is maintained at HU's publicly accessible webpage for current and prospective students.

NOTE: THE CALCULATIONS OF THIS REPORT DO NOT FOLLOW TYPICAL ACCOUNTING PRINCIPLES. FOR AN EXPLANATION OF HOW DATA IS ACCUMULATED, SEE:

ATHLETIC PARTICIPATION

Federal regulations require that the following information, based on the previous reporting year be available for inspection by students, prospective students and submitted to the Department of Education by November 1, 2023.

This table lists the number of participants by gender for the esports varsity team. Tryouts for HU's first esports varsity teams are open to both male and female students. However, males achieved the highest scores. As such, all statistics are for an all-male esports team for the 2022-2023 academic year.

- b. Receives athletic related aid; or
- c. Practices with the varsity team and receives coaching from one or more varsity coaches.

Any student-athlete who satisfies one or more of these criteria is a participant, including a student on a team the institution competition to preserve eligibility (i.e., red-shirt) or for academic, medical, or other reasons.
