INTRODUCTION

The Harrisburg University of Science and Technology (HU) Annual Safety and Security Report (ASR) & Annual Fire Safety Report is published to comply with the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* (Clery Act). This report includes statistics for the previous three years of reported crimes and fires that occurred on HU's campus, in certain off-campus buildings or properties owned or controlled by HU, and on public property within or immediately adjacent to and accessible from HU properties. The report also includes institutional and campus security policies and information concerning alcohol and drug use as required by the regulations to the Drug-Free Schools and Communities Act (DFSCA) of 1989, crime prevention, the reporting of crimes, and other matters.

This ASR is available online at <https://www.harrisburgu.edu/disclosures/>. Prospective students and prospective employees will be directed to the ASR by the Office of Admissions or the Office of Human Resources. Printed copies are available upon request by calling the Office of Compliance at (717) 901-5100, extension 1769, or through email at compliance@harrisburgu.edu. HU also provides the annual crime and fire statistics contained in this report to the U.S. Department of Education. Lastly, notification and links to the ASR are sent annually to all HU enrolled students and employees.

This ASR was prepared in cooperation with local and international law enforcement agencies, HU's Human Resources Office, HU's Student Services Office, HU's Security Office, HU's Office of General Counsel, and HU's Office of Compliance. The policies contained in this ASR apply to HU's Harrisburg campus and Philadelphia location.

Lastly, the crime statistics in this report are presented in separate crime statistic charts for the Harrisburg campus, HU's previous Philadelphia location, the HU Aquaponics Research Laboratory at Steelton-Highspire High School, and other areas as required by law.

This report may include full HU policies or truncated policy statements. HU policies may be found on the Policies and Procedures page at <https://www.harrisburgu.edu/about/policies/> or via the Student, Staff or Faculty Handbooks accessible via MyHu <https://myhu.harrisburgu.edu/>.

Message from the Interim President

To the Harrisburg University Community,

At Harrisburg University, the safety and well-being of our students, faculty, and staff are foundational to everything we do. As a young, entrepreneurial institution focused on STEM innovation, we are committed to creating a secure, welcoming, and vibrant academic environment where everyone can thrive.

This Annual Security Report (ASR) and Annual Fire Safety Report (AFSR) are published in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The Clery Act requires colleges and universities to disclose campus crime statistics and security policies, ensuring transparency and accountability in how we protect our community. These reports are not just regulatory requirements—they are reflections of our values and our commitment to safety.

Additionally, as required under the Drug-Free Schools and Communities Act of 1989, this report serves as our annual notification to all employees regarding the risks associated with alcohol and other drug use, the consequences of such use, Harrisburg University's standards of conduct, and the treatment programs available to those in need of support.

We all share the responsibility of maintaining a campus that is safe, inclusive, and conducive to learning. Whether you are a student pursuing your academic goals, a faculty member guiding the next generation, or a staff supporting our mission, your role in fostering a respectful and secure environment is essential. Safety is not just a policy—it's a culture we build together.

I encourage you to read this report carefully, understand the resources available to you, and take an active role in supporting the well-being of our community. Let us continue to work together to ensure Harrisburg University remains a place where innovation thrives, diversity is celebrated, and every individual feels safe and supported.

Thank you for being part of this journey. Together, we are building a stronger, more resilient university.

Sincerely,

David Schankweiler
Interim President
Harrisburg University of Science and Technology

A Brief History of HU

In the mid-1990s, a group of community business leaders recognized the value of integrating STEM education with economic development. Harrisburg University of Science and Technology was incorporated in the Commonwealth of Pennsylvania in 2001, making it the first independent science and technology-focused, non-profit, university to be established in Pennsylvania in more than 100 years. It was chartered by the Pennsylvania Department of Education in 2005 and accredited by the Middle States Commission on Higher Education in 2009. HU is accredited by the Middle States Commission on Higher Education and The Global Accreditation Center from the Project Management Institute.

The research centers and institutes at Harrisburg University provide experiential opportunities for students across a broad range of interests, issues, and industries. Students and faculty work alongside government organizations and businesses to find solutions for real-world problems.

The Harrisburg University Storm is a member of the National Association of Collegiate Esports (NACE), the varsity Esports program that fields teams in Overwatch and League of Legends. The Storm has won multiple Collegiate Overwatch National Championships since its inception in 2018. The Storm has won numerous other championships and is also the recipient of the international Tempest Award for Best Collegiate Esports Program.

HU Fast Facts and Points of Pride

- HU is the only comprehensive nonprofit science and technology university between the cities of Philadelphia and Pittsburgh.
- 100% of undergraduate students receive a scholarship.
- Undergraduate students are required to complete 135 internship hours.
- HU's students have hailed from over 100 countries.
- HU does not charge student fees.

Safety and Security at HU

HU strives to offer a safe and secure environment. HU's Chief Operating Officer/Chief Financial Officer serves as the University's designated Chief Security Officer and is responsible for campus security. Campus security is enhanced when employees, students, and visitors follow all security protocols and use common sense safety practices, such as locking cars, walking in groups, reporting suspicious incidents, and protecting personal property by not leaving it unattended.

HU does not have a commissioned police force but has a cooperative arrangement that stations an armed officer from the City of Harrisburg's Bureau of Police on HU's campus. Armed police officers from the Harrisburg and Philadelphia Police Departments are authorized to respond at each HU site within their respective jurisdictions. If anyone becomes aware of a crime, observes a suspicious person, or is a victim of a crime, they are advised to immediately report all emergencies to the local police department at any time. Local law enforcement officers will work with individuals in responding to and reporting crimes, including obtaining information and evidence, identifying potential witnesses, and conducting thorough investigations to identify responsible parties. When appropriate, crime suspects may be adjudicated through HU's student conduct system, HU's Progressive Discipline System for faculty & staff through the Office of Human Resources, and/or the criminal justice system.

Employees, students, and visitors are also advised to report criminal activity or emergencies to HU's Campus Security for the tracking of crime and fire statistics.

HU Emergency Notification System

Members of HU's community may and should subscribe to receive emergency notifications text alerts regarding HU closures or emergency/disaster situations, including Timely Warnings, that may impact the HU community. Subscribing to the system, Omnilert, is completed through the MyHU portal of HU's webpage. Subscribers are subject to text message costs assessed by their cell phone provider.

The purpose of the notification system is to merely alert subscribers. For additional information on any matters, the HU Community will be directed to HU's website or social media accounts.

Campus Safety Services Overview

Harrisburg Campus

During times of regular on-campus instruction, HU employs full-time, security personnel Monday through Friday between the hours of 7:00 a.m. and 10:00 p.m. During these hours, students, employees, and visitors can report accidents, criminal actions, or other emergencies by calling 717-901-5180 or by visiting the front desk at 326 Market Street. Campus Security possesses the authority to request the removal of any individual whose presence or behavior warrants removal from the HU educational environment. The City of Harrisburg Bureau of Police is contacted when individuals fail to cooperate with Campus Security's requests.

The City of Harrisburg Bureau of Police is authorized to maintain campus security and can be contacted at 911 in an emergency and 717-558-6900 in non-emergencies.

Daily Crime Log

Campus Security, in conjunction with Student Services and the Office of Compliance, maintains a daily crime log of reported incidents. The log is available as public information from 8:00 a.m. to 5:00 p.m. Monday through Friday by contacting the Office of Compliance at compliance@harrisburgu.edu or Campus Security.

How to Report an Emergency or Crime

Employees, students, and visitors are expected to report all crimes, suspicious activity, and public safety related incidents promptly and accurately. This includes incidents in which victims elect not to, or are unable to, make reports to HU Security or to local police.

Crimes and emergencies can be reported through the following channels:

HARRISBURG CAMPUS:

- Monday-Friday, from the hours of 7:00 a.m. - 10:00 p.m., crimes, suspicious activity, or safety issues should be reported to HU security at 717-901-5180. **From any HU telephone, individuals must dial 9 to access an outside line.** Nonemergency security matters can be reported by email to: security@harrisburgu.edu or compliance@harrisburgu.edu. Any afterhours email will not be addressed until the following business day. Residential students can also contact the on-call residence life staff member.
- After 10:00 p.m. and on weekends, issues should be reported to Harristown Property Security Services at 717-238-2726.
- Harrisburg Police can be reached 24/7 by dialing 911 to report emergencies, or 717-558-6900 for non-emergency matters. PA Capitol Police may also be reached at 717-787-3199.

Title IX and VAWA Statement

It is the policy of HU to comply with Title IX of the Education Amendments of 1972, which prohibits discrimination based on sex (including sexual harassment and sexual violence) in HU's educational programs and activities. It is also HU's policy to comply with the federal Violence Against Women Act amendments to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crimes Statistics Act, and the accompanying regulations (collectively referred to as VAWA).

Title IX prohibits retaliation for asserting or otherwise participating in claims of sex discrimination. VAWA imposes additional duties on universities and colleges to investigate and respond to reports of sexual assault, stalking, dating, or domestic violence, and to publish policies and procedures related to the way these reports are handled. HU has designated the Title IX Coordinator to coordinate HU's compliance with Title IX and VAWA, and to respond to reports of violations.

A person may also file a complaint with the Department of Education's Office for Civil Rights regarding an alleged violation of Title IX by visiting www2.ed.gov/about/offices/list/ocr/complaintintro.html or calling 1-800-421-3481.

Confidential Resources for Victims of Sex Discrimination

Victims of incidence outlined in HU's Sex Discrimination Policy have the option of confidentially reporting incidents.

Student victims of sex discrimination can request confidential resources through HU's Counseling Center at 717- 901-5100 ext. 1727 or through <http://harrisburgu.edu/counseling-services>.

Employee victims of misconduct can receive confidential support through HU's Employee Assistance Program (EAP) with Mutual of Omaha's Employee Assistance Program: 800-316-2796.

Medical services are available from the following resources near the **Harrisburg** campus:

UPMC Health Services Sexual Assault Forensic Examiner (SAFE) Program (Accessible through Emergency Room):
717-782-5205
111 South Front Street
Harrisburg PA 17101

Violence Against Women Act (VAWA): Response to Domestic Violence, Dating Violence, Sexual Assault and Stalking

As required by Title IX and other laws, HU does not discriminate based on sex or gender in any phase of its educational or employment programs. If HU knows or reasonably should know of possible sexual misconduct, a thorough, impartial, and confidential investigation will be conducted as promptly as possible to determine whether there has been a violation of HU's Sexual Misconduct Policy. Sexual misconduct includes sexual harassment, sexual assault, dating violence, domestic violence, and stalking.

Victims are not required to file complaints but are encouraged to do so. Regardless if sexual misconduct is reported, reasonable and available accommodations or protective measures are provided to victims upon request. Individuals may speak with or by filing a formal, non-confidential complaint with the Director of Compliance, by emailing compliance@harrisburgu.edu.

Filing a Sex Discrimination and sex-based harassment complaint

The following people have a right to make a complaint of sex discrimination, including complaints of sex-based harassment, requesting that HU investigate and make a determination

about alleged discrimination under Title IX:

- A “complainant” which includes:
 - A student or employee of HU who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX; or
 - A person other than a student or employee of HU who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX at a time when that individual was participating or attempting to participate in HU's education program or activity;
 - A parent, guardian, or other authorized legal representative with the legal right to act on behalf of a complainant or
 - HU's Title IX Coordinator.

With respect to complaints of sex discrimination other than sex-based harassment, in addition to the people listed above, the following persons have a right to make a complaint:

- Any student or employee of HU or

- Any person other than a student or employee who was participating or attempting to participate in HU's education program or activity at the time of the alleged sex discrimination. <https://www.harrisburgu.edu/title-ix-sexual-misconduct-policy-reporting/>

Filing a Criminal Complaint

Victims of sexual assault may file criminal complaints by contacting the City of Harrisburg's Bureau of Police at 717-255-3131 or in person at 123 Walnut Street, Room 217, Harrisburg, PA 17101.

Filing an Anonymous/Confidential Complaint

Anonymous incident reports will be reviewed by the Title IX Coordinator. HU's ability to address alleged sex discrimination reported anonymously is significantly limited. Individuals can make anonymous reports by going to this public link: https://harrisburgu-advocate.symlicity.com/public_report/ Reporters are encouraged to provide as much information as possible including date(s) of incident(s), time of incident, individual names, nicknames, locations, potential witnesses, and any other pertinent details.

Questions may also be referred to the Office of Civil Rights (OCR):

Office for Civil Rights, Philadelphia Office
U.S. Department of Education
The Wanamaker Building
100 Penn Square East, Suite 515
Philadelphia, PA 19107-3323
Telephone: 215-656-8541
FAX: 215-656-8605; TDD: 800-877-8339
OCR.Philadelphia@ed.gov

Reporting Obligations

All HU employees (including student employees) should be familiar with HU's Sex Discrimination Policy and Grievance Resolution Process, in addition to the resources and support available to complainants and witnesses of all forms of sex discrimination. HU requires all employees, except for confidential employees, to report sex discrimination. In the event in which a complainant discloses sex

discrimination to a non-confidential HU employee, the employee should notify the complainant that they will disclose this information to the Title IX Coordinator. The employee should also provide the complainant with the Title IX Coordinator's contact information. The Title IX Coordinator can provide support measures without seeking a formal resolution.

Employees should make every attempt to explain to the complainant that they are potentially not a confidential resource before a complainant reveals something that they may want to keep confidential. If a complainant, respondent, or witness begins talking about the incident(s) with no warning, employees should gently interrupt and inform them that the conversation may not be considered confidential, and if they do not want the incident(s) to potentially be reported then, they should make an appointment with a confidential resource, including HU's counseling program.

REPORT TITLE IX ISSUES TO:

Lauren Edgell
Dean, Student Retention
Title IX Coordinator
mmorgan@harrisburgu.edu

Nayeem Islam
Director of Student Life
Deputy Title IX Coordinator
nislam@harrisburgu.edu

Julie Denniston
Graduate Student Services Coordinator
Title IX Administrator
jdenniston@harrisburgu.edu

Deputy Title

Reporting Confidentially

When complainants request that their name or other identifiable information not be shared with respondents and/or that no conduct proceeding or other action be taken, HU will seek to honor that preference when possible. In determining how to proceed, HU will balance a complainant's request with its obligation to provide a safe and nondiscriminatory environment for all HU community members, including the respondent.

HU will consider the following factors in evaluating such requests:

- The nature and scope of the reported conduct, including whether the reported conduct involved physical force or the use of a weapon;

- The potential impact on the complainant of moving forward, particularly in reports involving intimate partner violence;
- The respective ages and roles of the complainant and respondent, including whether the complainant is (or was at the time of the reported conduct), a minor under the age of 18;
- The risk posed to any individual or to the campus community by not proceeding, including the risk of additional violence;
- Whether there are any other documented complaints to HU related to similar behavior about the same respondent (if known);
- Whether the respondent has a history of convictions or records from a prior school indicating a history of harassment/misconduct, if such records are available;
- Whether the respondent threatened future sexual violence against the complainant or others;
- Whether the report reveals a pattern of conduct at a given location or by a particular group such that there is an increased risk of future acts of sexual misconduct under similar circumstances; and
- Whether the conduct included multiple respondents.

When HU determines that a complainant's request to remain confidential can be honored, HU will evaluate whether support measures will remedy any effects on the complainant and the HU community. Those steps may include offering appropriate supportive measures to the complainant, providing targeted training or prevention programs, and/or providing or imposing other remedies tailored to the circumstances. HU cannot impose sanctions on a respondent without due process.

When HU determines that action should be taken that is inconsistent with the request of the complainant that a report remain confidential or that it not be acted upon, the complainant will be informed about the chosen course of action, which may include HU initiating a conduct proceeding against a respondent. In that event, HU will need to disclose the identity of the complainant to the respondent. If so, the complainant will be notified that HU intends to proceed with a conduct proceeding but that the complainant is not required to participate in the proceeding or in any other actions undertaken by HU.

HU Support in Matters of Domestic Violence, Dating Violence, Sexual Assault, and Stalking

If HU receives a report of domestic violence, dating violence, sexual assault, or stalking, the following procedures are followed:

Support measures can be provided. Support measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Supportive measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the recipient's educational environment, or deter sexual harassment.

Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. An individual can initiate the process for support measures by contacting a Title IX Coordinator.

Rights and Options of those Reporting Domestic Violence, Dating Violence, Sexual Assault, and Stalking

Regardless of whether individuals elect to pursue criminal complaints or whether the offense is alleged to have occurred on or off campus, HU will assist those who report being the target of sexual assault, domestic violence, dating violence, and stalking, and will provide them with a written explanation of their rights and options. Such written information includes:

- The procedures victims should follow if a crime of dating violence, domestic violence, sexual assault, or stalking has occurred.
- Information about how HU will protect the confidentiality of individuals and other necessary participants by excluding personally identifiable information about individuals in publicly available records, including Clery Act reports and disclosures.
- A statement that HU will provide written notification to students and employees about support services at HU and in the community.

- A statement regarding HU's provisions, options, and instructions for, and available assistance with, requesting accommodations and protective measures.
- An explanation of the procedures for institutional disciplinary action.

Upon receipt of a report of domestic violence, dating violence, sexual assault, or stalking, HU provides written notification to individuals about accommodations available to them, including academic, living, transportation, and working situations. The written notification includes information on accommodation options, and instructions for, and available assistance with, requesting accommodations and protective measures (i.e., the notification includes the name and contact information for the individual or office that should be contacted to request the accommodations).

At an individual's request, and to the extent of his/her cooperation and consent, HU's offices will work cooperatively to assist individuals with obtaining assistance or alternative educational services. If reasonably available, individuals may be offered options to change their academic, living, working, or transportation situations regardless of whether they choose to report the crime to HU Security or local law enforcement. Examples of these options may be transferring to a different section of a course or withdrawing and taking the course at another time (if there is no option for moving to a different section, etc.), moving to a different room or residence hall, changing working hours, parking in a different location, or assisting the victim with a safety escort, etc.

On and Off-Campus Support Services

Upon receipt of a report of domestic violence, dating violence, sexual assault, or stalking, HU provides written notification about existing assistance and/or information for obtaining resources and services including counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and assistance in notifying appropriate local law enforcement.

Programs to Prevent Domestic Violence, Dating Violence, Sexual Assault and Stalking

HU engages in comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault, and stalking that:

- Are culturally relevant, inclusive of diverse communities and identities, sustainable, and responsive to community needs
- Are informed by research, assessed for value, effectiveness, and/or outcome
- Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels
- Include educational programming of primary prevention and awareness for all incoming students and new employees with ongoing awareness and prevention campaigns for students
- Prohibits at HU the crimes of domestic violence, dating violence, sexual assault, and stalking as defined by the Clery Act through its applicable policies

Retaliation

HU strictly prohibits retaliation against any member of its community for reporting an incident of sexual misconduct or for participating in an investigation or hearing related to a report of sexual misconduct. HU considers such actions to be protected activities in which all members of the HU community may freely engage.

Retaliation is a materially adverse action taken against an individual because they engaged in protected activities. The adverse action must be sufficiently severe or pervasive that it could deter a reasonable person from engaging in the protected activities. The HU community is prohibited from engaging in actions directly or through others that reasonably could deter a party or a witness from reporting sexual misconduct or participating in an investigation or hearing.

Campus Security Authorities (CSA)

A Campus Security Authority is a HU employee who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings, and in their employment capacity, has the authority and the duty to take action or respond to particular issues on behalf of the university.

It is considered official notice to HU if the misconduct is within the actual knowledge of a CSA. CSAs assist HU in fulfilling its responsibility to annually disclose accurate crime statistics and to issue or facilitate the issuance of timely warnings or emergency notifications under the *The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* (Clery Act) for crimes under that statute that pose a serious or continuing threat to the campus community.

Information Regarding Registered Sex Offenders

Information regarding registered sex offenders and sexually violent predators are available at www.pameganslaw.state.pa.us.

Primary Prevention and Awareness Programs by HU

HU's Connection Leader program trains HU students to mentor first-year students. Connection Leaders receive training specific to Clery and crime reporting as well as sexual assault prevention and active bystander intervention. Students also learn about sexual assault, domestic and dating violence, stalking, and how to report such offenses. All students are required to complete a mandatory computer-based training course on Sex-based discrimination by Vector. Vector Training is discussed during Welcome Weekend and First-Year Seminar Classes and includes topics such as understanding sexual assault, domestic and dating violence, stalking, and how to report such offenses.

Security of Campus Facilities

HU's Harrisburg Campus

HU's Harrisburg Campus is in an urban setting with areas that are open to the public during normal business hours, such as the first floor containing Admissions and Financial Aid and parking garage floors three through nine.

Floors two and 10-14 containing HU's academic areas, student affairs, HU's library, and faculty and administrative offices are controlled by card access.

Outside of normal business hours, areas are accessed by using HU issued access cards. Individuals with authorization to access HU buildings are cautioned against permitting strangers to enter HU facilities and are urged to require those seeking entry to use their own personal access cards.

Access to student residences, which are available for HU students through various leasing agents, is restricted to residents, approved guests, and approved members of the HU community. Residents enter the building by swipe card and use a residence hall key to enter rooms. Resident Life Coordinators (RLC) and Resident Advisors (RA) maintain security measures and work with residents to achieve a residential community respectful of individual and group rights and responsibilities.

Access to HU's Student Union, 225 Market Street locations, as well HU's Aquaponics Research Laboratory at Steelton-Highspire High School, is restricted to approved HU personnel and accessed by a HU-issued swipe card.

HU maintains exterior lighting to keep the Harrisburg Campus well lit. Maintenance personnel also inspect the Harrisburg Campus to discover and correct health, safety, and maintenance problems.

Maintenance problems, including issues associated with locks and doors in need of repair should be immediately reported to the Facility Manager, Damien Kerstetter, at 717-901-5189 or by email at dkerstetter@harrisburgu.edu, to the Security Desk on the first floor, or by calling 717- 901-5180.

Emergency Response Procedures

If a situation poses an immediate threat to the health and safety of the HU community, HU will issue a Safety Bulletin or Timely Warning to expedite emergency response and/or evacuation procedures. The goal of HU Safety Bulletins and Timely Warnings is to notify as many people as possible, as rapidly as possible, and through a variety of channels, with adequate follow-up information as needed. Information will be distributed through HU's Omnilert (HU's emergency text messaging notification service), Twitter, Facebook, recorded message (by phone or email), all logged-on computer terminals, and/or public-address systems in campus buildings.

To receive text messages (when delivery is appropriate), students and employees must and should register with the Omnilert system through MyHU and provide their mobile phone number.

Local television and radio stations may disseminate emergency information to members of the larger community, including neighbors, parents, and other interested parties. The public can also access emergency information at the HU homepage and/or social media.

All or some of these methods of communication will be used to provide follow-up information to the HU and possibly surrounding community. Updates and follow-up information are also be posted on www.harrisburgu.edu.

All HU email addresses will automatically receive HU emergency communications.

In the event of an emergency, HU provides immediate notifications to the appropriate segments of the HU community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students, employees, and/or visitors (unless, in the professional judgment of responsible authorities, notification will compromise efforts to assist a victim or respond to, or otherwise mitigate, the emergency).

HU Safety Bulletins are issued for incidents such as major hazardous materials releases, major fires, extended power outages, infectious disease outbreaks, or weather-related events that could directly impact the campus. The content of these messages is crafted based on the safety risks the incident or event poses to the HU community.

Timely Warning Notices

If a crime is reported within HU's Clery Geography (on-campus, public property, and non-campus property), and poses a serious or continuing threat to the HU community, a timely warning notice is issued to the entire campus community. When a serious crime is reported, HU administrators, including the President and the Vice-President for Finance/CFO/COO, typically develop the content and issue a timely warning using some or all the previous communication means listed.

Timely warnings are usually distributed for the following Uniform Crime Reporting (UCR) program classifications: major incidents of arson, criminal homicide, and robbery. Incidents of aggravated assault and sex offenses are considered on a case-by-case basis. HU determines whether there is a threat or continuing danger to the campus community after reviewing the facts and the amount of information known by HU at the time.

Incidents involving sexual assault are often reported to HU long after they occurred, thus making it impossible to distribute a "timely" warning notice to the community. Sex offenses are evaluated on a case-by-case basis depending on when and where the reported incidents occurred, when they are reported, and the amount of information that is known by HU at the time of the assessment. To ensure confidentiality, notifications never include the names or identifying information of victims.

Cases involving property crimes are assessed on a case-by-case basis. When there is a discernable pattern of a crime, HU issues timely warnings to aid in the prevention of similar occurrences. To ensure confidentiality, notifications never include the names or identifying information of victims.

Evacuation Procedures

General Evacuation Procedures

When evacuations are deemed necessary, occupants are expected to leave campus buildings immediately and orderly, by the nearest designated exit. Staff are available to direct students, staff, faculty, and visitors to safer areas. Campus facilities may be evacuated depending on the threat or incident.

If facilities are evacuated, individuals are expected to adhere to the following instructions:

- Leave immediately when the alarm sounds. Close all doors upon exiting, proceed to the fire exit, and leave the building.
- Use the stairs. Never use the elevators. Elevators stop when there is a power failure, causing the occupants to become trapped. Smoke may enter the elevator shaft and asphyxiate the elevator occupants trying to evacuate the building.
- When there is smoke, stay low and take short breaths through the nose until reaching a place of refuge.
- Feel doors and if cool, open them cautiously and proceed to a place of refuge. Be prepared to reclose doors when corridors are full of smoke or if there is heat pressure against a door. If corridors are clear, evacuate the building by using the stairs and exit the closest exterior door to safety.
- Do not open doors that are hot and if possible, seal off any cracks with clothing. Individuals should call 911 and provide their specific location, including room number and floor.
- Keep moving for at least two blocks from the exited building. No one should re-enter a building unless given permission by the Fire Department or Campus Security.

People with Functional and Access Needs: If the floor must be evacuated, occupants should plan to locate in an Area of Refuge, usually a fire tower in a stairwell. They should call 911 to identify their location, floor, and whether special equipment to descend the stairs is necessary. Plan to have a responsible person assisting in the event of a fire.

If an occupant becomes trapped and cannot reach a fire exit, they should keep the door closed, cover any cracks, and immediately call 911 to provide a location, floor, and room number, if possible.

Shelter-In-Place Procedures

Shelter-in-place means to seek immediate shelter and remain there during an emergency, rather than evacuate an area. Certain events, such as severe weather or hazardous materials contamination, may necessitate the initiation of HU's shelter-in-place policy.

In the event the shelter-in-place protocol is initiated, occupants are advised to do the following:

- Stay inside the building in which they are located, or if they are outside, go into the nearest building that would provide a safe haven depending on known circumstances.
- Move to interior rooms with no windows or closed windows (rooms that have little or no outside ventilation are preferred).
- Close any open windows and doors.
- Await further instruction.
- Do not evacuate until an "All Clear" is given by emergency personnel or ENS notification.

Lockdown

A lockdown is a protocol used when there is an immediate threat to the building occupants and there is a need to stop all access or a portion of access to the campus. In the event of a Lockdown, building occupants should secure themselves in a room until the situation is resolved. If the event is an ACTIVE SHOOTER scenario, your best chance of survival may be to get out of the building as quickly as possible, so occupants need to be aware of and assess the pending situation.

During a lockdown, the following is advised:

IF YOU ARE INSIDE A BUILDING:

- If the threat is inside the building, leave immediately and try to get others to leave as well.
- Lock exterior doors only if the threat is outside the building and it is safe to reach the doors.

- Call the police: 911.
- Notify building occupants of “Lock Down” status if possible.
- Close, lock, and barricade interior doors, if possible.
- Hide in a room or office.
- Remain quiet.
- Wait until emergency personnel confirm that it is safe to leave.

IF YOU ARE OUTSIDE OF A BUILDING:

- Do not enter the building.
- Get as far away as possible from the building under lockdown.
- Find a safe location and stay there,
- DO NOT LEAVE the safe area until emergency personnel confirm that it is safe to leave.
- Do not call or text anyone in the location under lockdown as it may endanger lives.
- Call 911 if you have relevant information.

Testing of Emergency Responses

On an annual basis, HU conducts tests of its emergency response and evacuation procedures. Tests may be announced or unannounced. During these tests, students and employees learn the locations of the emergency exits in the buildings, the direction they should travel when exiting each facility, and their designated rallying points.

In conjunction with one test a year, HU publicizes and announces its emergency response and evacuation procedures to members of the HU community.

Fire Safety Features in Affiliated Student Residences

The HU affiliated facilities for residential housing at the Harrisburg Campus are equipped with automatic sprinkler systems, building alarm systems, fire extinguishers, and fire-rated doors. Smoke detectors are in all sleeping and cooking areas. The manufacturer of the alarms is Simplex Grinnell and alarms are monitored either by Choice or Eastern Time. All alarms are wired, and battery powered.

In addition to the foregoing safety features, fire drills are conducted each semester to ensure that students are aware of procedures to follow in the event of an actual fire.

Policies Related to Fire Safety

Daily Fire Log

A daily fire log of reported incidents is maintained by Campus Security in conjunction with Student Services and the Office of Compliance. The log is available as public information during the hours of 8:00 a.m. – 5:00 p.m., Monday – Friday by contacting the Office of Compliance at compliance@harrisburgu.edu or Campus Security.

Emergency/Fire Safety Equipment

Proper use of, and response to, fire alarms is required. Disciplinary action will be taken against anyone who falsely, intentionally, or negligently tampers with or activates fire safety equipment. Fire safety equipment includes smoke/heat detectors, sprinkler heads, fire extinguishers, pull stations, alarm panels, and exterior doors. Disciplinary action will be taken against anyone who fails to respond to a fire alarm, regardless of whether an emergency exists. Fire escapes are to be used only for emergency evacuations. Students should expect at least one practice fire drill per semester.

Fire Hazards

No materials, liquid or otherwise, of an explosive or combustible nature shall be kept on HU premises or affiliated facilities. Candles, incense, and open flame decorations are fire hazards and are prohibited. **Smoking on any HU property is strictly prohibited.**

Fireworks and Explosive Materials

The possession or use of fireworks and/or other explosive materials is prohibited on HU premises and affiliated facilities.

Open Flame

Open flame devices, including candles and incense, are prohibited in housing facilities.

Safety Checks

During vacation periods and occasionally throughout the semester, safety checks are conducted in the residence suites to ensure that they have been left in safe condition. Notice is posted at least 24 hours in advance. When policy violations are in plain view, they are documented, and disciplinary action is taken. All residence suites receive a health and safety check once each semester to ensure cleanliness and continued optimal operation and condition of the facility. Residents receive at least 24-hour notice before the safety checks.

Fire Emergency

When the fire alarm sounds, every resident is required to leave the building at once using the nearest stairway exit.

OCCUPANTS ARE ADVISED TO FOLLOW THESE SAFETY MEASURES:

- Before exiting, feel the door from top to bottom (follow this procedure for all closed doors that are encountered).
- If the door feels cool:
 - Crouch low and open door slowly. Close door quickly if heavy smoke or fire is present.
 - If visibility permits, leave the room (keys should be taken, and the door should be closed after exiting).
 - Leave the building via the stairways. Stay as low as possible if smoky conditions exist (crawl if necessary).
 - If heavy smoke is encountered in a stairwell, go back and use another set of stairs.
 - Never use the elevator during a fire alarm as it will not work without power and smoke may suffocate trapped occupants.
 - Exit the building and move at least 2 blocks in a safe direction.
 - Return to the building only when officials announce that it is safe.
- If the door feels hot:
 - Do not open the door.
 - If possible, call 911 and report the situation and location. Stay off the phone after calling 911 so fire officials may reach you.
 - Wedge wet towels or clothing under the door sill to keep smoke out.
 - Keep a soaked towel over your head.
 - Open a window and hang out a bed sheet to call attention to your location. Close window on the sheet, if necessary, to keep smoke from entering in through the window.

- Stay low until help arrives.

Reporting a Fire

- In the event of a fire, occupants should immediately activate a building fire alarm, which alerts building staff and all residents of impending danger.
- Call 911 to report the fire and notify staff of the location of the fire.
- If possible, evacuate at least 2 blocks in a safe direction and stay clear of the building.

Smoke Detectors

Smoke detectors are in every resident suite. When engaged, smoke detectors activate the general building alarms. Testing or tampering with smoke detectors is a housing violation. Smoke detector problems should be reported immediately.

Tampering with Fire Safety Equipment

Tampering with fire safety equipment, including smoke alarms and sprinkler heads, or purposely activating a false alarm violates state and local laws and HU policy. Sanctions for these offenses can include removal from HU affiliated housing. Individuals who tamper with or discharge a fire extinguisher without cause will face disciplinary action. Sanctions include possible removal from student housing and clean-up charges.

Reporting a Fire After the Fact for Statistical Purposes

Federal law requires HU to annually disclose statistical data on all fires that occur in on-campus student housing facilities. On-campus fires that were extinguished should still be reported to Campus Security at 717-901-5180.

Missing Resident Student Notification

HU encourages all students to list emergency contacts with HU via the “UG New Student eForm” at the MyHU website under the “Academics” tab. Students can also email the Office of Records and Registration at registrar@harrisburgu.edu to update their emergency contact information. If anyone has a reason to believe that a student residing in campus-affiliated housing is missing, it should be immediately reported to HU Campus Security at 717-901-5180 and to Residence Life.

If HU determines that a student is missing, it will notify the Harrisburg Police or other local law enforcement agencies, regardless of whether the student has identified a missing person contact. HU will also notify the Director of Student Services or a designee. The Director of Student Services or a designee will notify the student’s emergency contact within 24 hours after it is determined that the student is missing. If the missing student is less than 18 and not emancipated, the Director of Student Services will immediately notify the student’s parent or guardian in addition to his or her designated contact.

The HU Philadelphia site does not have student housing facilities.

Weapons Statement

Firearms and other dangerous weapons are strictly prohibited in or on facilities owned or controlled by HU. This prohibition applies to all persons, even those who possess a license to carry such weapons, except for authorized law enforcement performing official functions. Reported violations will be investigated and violators will be arrested, cited, and/or disciplined as appropriate.

HU Security Awareness Programs

HU takes a proactive approach to preventing crimes. The goal of crime prevention and security awareness programs is to minimize or eliminate criminal opportunities, whenever possible, and to encourage students, faculty, and staff to be responsible for both their own safety and the safety of others. During new student orientation, students and their families are informed about the types of crimes that occur on campus and prevention resources offered by HU for security awareness and crime prevention programs.

Safety Awareness Programs are offered year-round and include:

For New Student Orientation:

The Office of Student Services conducts informational sessions to introduce students to campus security, reporting procedures, and HU policies.

New Student Orientation also addresses training on Sexual Assault, Active Bystander Training, and strategies for addressing and preventing sexual assault, dating and domestic violence, and stalking. HU also recommends resources for survivors.

New Hire/Employee Orientation:

New employees are informed about HU's policies, reporting procedures, the Clery Act, and receive instructions for a training on Title IX. New employees are provided with information regarding employee duties and the resources to respond to sexual assault, domestic or dating violence, and stalking. The Office of Human Resources explores new strategies and trainings for disseminating Clery, Title IX, and other relevant employment information to faculty and staff.

Safety Prevention and Risk Reduction Programs

The following programs are offered to assist students with crime prevention and risk reduction:

- **Campus Safety and Healthy U Month.** During the months of August and September, Student Services a series of events that promote health and safety on campus such as Alcohol Awareness Training for student leaders by the PA Alcohol Board, self-defense classes, nutrition 101, conduct expectations overview, Q & A session with the Harrisburg Police, Suicide Prevention Week, Coffee with the Cops, and group session on Healthy and Unhealthy Relationships.
- **Alcohol Awareness.** Residential Life staff educate students about the psychological effects of alcohol abuse and precautions to maintain student personal safety.
- **Sexual Assault Awareness.** Training and resources are provided through Vector Programs for first-year students and employees. Programs include “Building Supportive Communities” and “Sexual Assault Prevention for Undergraduates.”
- **Safe Sex Awareness.** Residential Life presents “Wrap It Up” training on safe sex and consent.
- **HU Threat Assessment Team (TAT).** HU has a team consisting of HU professionals from multiple disciplines who are engaged in the essential function of behavioral and situational emergency intervention.
- **HU CARES Team.** HU has formed a CARES team to support at students who are at risk due to medical, mental health, economic, or other crises.
- **HU Staff Training.** All new hires are assigned a Title IX and Clery training course through Vector. This course provides new employees with information on HU’s programs & policies, as well as contact information for the University’s Title IX staff.

HU Crime Prevention Efforts

HU provides a structure for the protection of students while on campus. The elements of this system include:

- **Maintaining video imaging systems.** HU has more than 120 cameras and various video imaging systems installed at the Harrisburg campus which are streamed to NVRs (Network Video Recorder) as well as streamed to a centralized monitoring station for real-time review by Campus Security.
- **Harrisburg Police Presence.** As a proactive security measure, HU has collaborated with the City of Harrisburg to station an officer from the Bureau of Police at HU's campus.
- **Maintaining Code Blue Emergency Phones.** Emergency phones are strategically placed in the stairwells at the Harrisburg Campus and the associated parking garage. The phones ring automatically to Harrisburg Police Dispatch or 9-1-1.
- **Maintaining Key Card Access.** Elevators and stairwells at 326 Market, 225 Market, the parking garage, The Student Union in the Whitaker Center, and front entries of student housing facilities and the Philadelphia campus are accessed with key card approval.

**Annual Drug-Free
and Alcohol-Free Notification**

Drug Free Schools and Communities Act Information

As a requirement of the Drug-Free Schools and Communities Act and the Drug and Alcohol Prevention Regulations (collectively DFSCA), HU is to disseminate and ensure receipt of the below policy/information to all HU students and employees.

Drug and Alcohol Use

In accordance with DFSCA, no institution of higher education shall be eligible to receive funds or any other form of financial assistance under any federal funded or guaranteed student loan program, unless it has adopted and has implemented a program to prevent the use of illicit drugs and abuse of alcohol by students and employees.

General Rules Governing the Use of Alcohol

HU encourages and seeks to sustain an academic environment that respects individual freedom and promotes the health, safety, and welfare of all members of its community. In keeping with these objectives, and conforming to the laws of the Commonwealth of Pennsylvania, HU established the following policy governing the possession, sale, and consumption of alcoholic beverages by members of the HU community. HU's alcohol policy is intended to encourage the HU community to make responsible decisions about the use of alcoholic beverages, and to promote safe, legal, and healthy patterns of social interaction.

HU prohibits:

- the possession and/or consumption of alcoholic beverages by persons under the age of 21 on property owned or controlled by HU or as part of any HU activity.
- the intentional and knowing sale or furnishing of alcoholic beverages to persons under the age of 21 or to persons obviously inebriated on property owned or controlled by HU or as part of any HU activity. Pennsylvania law currently defines "furnish" as "to supply, give, or provide to, or allow a minor to possess on premises or property owned or controlled by the person charged."
- the consumption of alcoholic beverages by any HU student or employee that adversely affects academic or job performance and/or endangers the

physical well-being of other persons and/or oneself, and/or which leads to damage of property.

- the possession, sale, distribution, promotion, or consumption of an alcoholic beverage that violates federal, state, or local law, including the sale, directly or indirectly, of any alcoholic beverages at a premise, or by an entity not licensed for such sales on property owned or controlled by HU or as part of any HU activity.

Drugs/Controlled Substances

The illegal use, possession, sale, or distribution of any controlled substance is a violation of both federal and state laws, as well as HU policy. Such laws are strictly enforced, and violators are subject to HU disciplinary action, criminal prosecution, fine, and imprisonment.

Descriptions of applicable legal sanctions for the unlawful possession and distribution of illicit drugs (and alcohol and related health risks) are listed in the Student Handbook and Employee Handbook located in MyHU, as well as HU's *Drug and Alcohol Prevention Policy* that is attached as Appendix 6 of this report.

Drug and Alcohol Counseling and Treatment Programs

The following resources are available to students and employees seeking help with drug and alcohol related problems:

- **Harrisburg**
 - Narcotics Anonymous 717-233-3733 or www.na.org
 - Alcoholics Anonymous 717-234-5390 or www.aa.org
 - Helpline 717-652-4400 or www.contacthelpline.org
 - Dauphin County Department of Drug & Alcohol Services 717-635-2254 or www.dauphincounty.org

**ANNUAL SECURITY REPORT & ANNUAL FIRE SAFETY
REPORT DEFINITIONS AND STATISTICS**

Clery Act Reporting

Publication of this annual report is required by federal law. The annual crime statistics at HU were compiled by Student Affairs and campus officials with the responsibility for oversight of student activities, and relevant local and state police agencies. HU's yearly crime statistics are compiled on a calendar-year basis in accordance with the definitions of crimes provided by the FBI for use in the Uniform Crime Reporting (UCR) system. The report includes statistics for the previous three years concerning crimes that occurred on HU's campus and other locations and were reported to HU designated campus officials. Additionally, these statistics include individuals who were referred for campus disciplinary action for categories required under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), including liquor and drug law violations and illegal weapons possession.

Statistical information for certain off-campus locations or property owned or controlled by HU, as well as public property within or immediately adjacent to and accessible from campus, are collected or requested from local police departments. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year in which the crime was reported.

The crime statistic tables reflect the requirements mandated by federal law for compiling this report, which became effective February 2011 and were amended July 2016 to include VAWA requirements. HU reports the crimes required by the Clery Act that occurred on or within an institution's Clery Geography that were reported to a CSA.

Clery Geography for Statistical Reporting

On-Campus means all property, including on-campus housing facilities, owned or controlled by HU within the same reasonably contiguous geographical area used by HU in direct support of, or in a manner related to, HU's educational purposes, including residence halls, and any building or property within the same reasonably contiguous geographic area of the institution that is owned by HU, but controlled by another person and is used by students and supports institutional purposes (such as a food or other retail vendor).

On-Campus Student Housing Facilities means property owned or controlled by the institution used to provide housing for the institution's students.

Non-Campus means any building or property owned or controlled by a student organization that is officially recognized by HU, or any building or property owned or controlled by HU that is being used in direct support of, or in relation to, HU's educational purposes, is frequented by students and is not within the same reasonably contiguous geographic area of the HU campus.

Public Property means all public property, including thoroughfares, streets, sidewalks, and parking facilities, that are within the campus or immediately adjacent to and accessible from the campus. The Clery Act does not require disclosure of crime statistics for public property that surrounds non-campus buildings or property.

Clery Act Reporting Descriptions

Hate crimes are crimes that manifest evidence that a victim was intentionally selected because of actual or perceived race, religion, sexual orientation, gender, gender identity, ethnicity, national origin, or disability. Reportable crimes that are reported as hate crimes are listed in the crime statistics starting on page 54.

Student Conduct referrals are persons not arrested for liquor law violations, drug law violations or illegal weapons possession, but who were referred for campus disciplinary action. A referral for campus disciplinary action for violation of HU's policies regarding alcohol, drugs or weapons does not necessarily mean that a violation of law has occurred. Referrals that were the result of an arrest or citation are reflected elsewhere in the crime statistics. Student Conduct Incident Reports reflect the number of individuals referred for campus disciplinary action.

Classifying Crime Statistics

The statistics contained in this report are published in accordance with the standards and guidelines used by the Federal Bureau of Investigation Uniform Crime Reporting Handbook and the Clery Act.

The number of victims involved in an incident is indicated for the following crime classifications: murder/non-negligent manslaughter, manslaughter by

negligence, sex offenses (rape, fondling, incest, statutory rape) and aggravated assault. For example, if an aggravated assault occurs and there are three victims, this would be counted as three aggravated assaults in the crime statistics.

The number of incidents involving an offense is indicated for the following crime categories (includes one offense per distinct operation): robbery, burglary, and arson. For example, if five students are walking across campus together and they are robbed, this would count as one instance of robbery in the crime statistics chart.

In cases of motor vehicle theft, each vehicle stolen is counted.

In cases involving liquor law, drug law, and illegal weapons violations, each person who was arrested is indicated in the arrest statistics. If an arrest included offenses for multiple liquor or drug law violations, it is only counted as a drug law violation under the Hierarchy Rule.

The statistics captured under the “Referred for Disciplinary Action” section for liquor law, drug law, and illegal weapons violations indicate the number of people who were referred to Student Conduct and charged for violating those specific laws.

Statistics for hate crimes are counted in each specific Clery reportable crime category and therefore are part of the overall statistics reported for each year. The only exception to this is the addition of a bias motivated larceny, simple assault resulting in bodily injury, intimidation, and vandalism; the law requires that this statistic be reported as a hate crime, even though there is no requirement to report the crime in any other area of the compliance document.

Hate Crime Definitions

Hate Crimes: A criminal offense committed against a person or property which is motivated, in whole or part, by the offender’s bias. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, or ethnicity/national origin.

HU is required to report statistics for bias-related (hate) crimes by the type of bias as defined below for the following classifications: murder/non-negligent

manslaughter, sex offenses (forcible and nonforcible), robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, and destruction/damage/vandalism of property.

Larceny-Theft: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Constructive possession is the condition in which a person does not have physical custody or possession but is able to exercise dominion or control over a thing.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness. Intimidation: To unlawfully place another person in reasonable fear of bodily harm using threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Destruction/Damage/Vandalism of Property: To willfully or maliciously destroy, damage, deface or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

If a hate crime occurs where there is an incident involving intimidation, destruction/damage/vandalism of property, larceny-theft or simple assault, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any other area of the compliance document.

Definitions of Reportable Crimes and Other Associated Terms

Murder and Manslaughter by Negligence: The willful (nonnegligent) killing of one human being by another.

Negligent Manslaughter: The killing of another person through gross negligence.

Sexual Assault: Any nonconsensual sexual act proscribed by federal or Illinois law, including when the victim lacks capacity to consent. An offense that meets the definition of rape, fondling, incest or statutory rape as used in the FBI's UCR program (42 U.S.C. § 13925(a)(29)).

Sex Offenses: Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

- **Rape**—The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
- **Fondling**—The touching of the private body parts of another person for sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of their age or because of their temporary or permanent mental incapacity.
- **Incest**—Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- **Statutory Rape**—Sexual intercourse with a person who is under the statutory age of consent.

Domestic Violence:

- A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; by a person with whom the victim shares a child in common; by a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred (42 U.S.C. § 13925 (a)(8)); or,
- Under Pennsylvania's Protection from Abuse (PFA) statute, abuse is defined as one or more of the following acts between family or household members, sexual or intimate partners or persons who share biological parenthood: (1) Attempting to cause or intentionally, knowingly or recklessly causing bodily injury, serious bodily injury, rape, involuntary deviate sexual intercourse, sexual assault, statutory sexual assault, aggravated indecent assault, indecent assault or incest with or without a deadly weapon; (2) Placing another in reasonable fear of imminent serious bodily injury; (3) The infliction of false imprisonment pursuant to 18 Pa.C.S. § 2903 (relating to the crime of false imprisonment); (4) Physically or sexually abusing minor children, including such terms as defined in

Chapter 63 of the Child Protective Services Act; (5) Knowingly engaging in a course of conduct or repeatedly committing acts toward another person, including following the person, without proper authority, under circumstances which place the person in reasonable fear of bodily injury. 23 Pa.C.S. § 6102

The definition of this paragraph applies only to proceedings commenced under the PFA statute and is inapplicable to any criminal prosecutions commenced under Title 18 of Pennsylvania's criminal statutes.

Dating Violence:

- Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. For the purposes of this definition, dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence. Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting (42 U.S.C. § 13925 (a)(9) and (10)); or
- Threatening to use physical, mental or emotional abuse to control another person who is in a dating relationship with the person.
- The existence of a dating relationship in 1 or 2 above shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

Stalking:

- Engaging in a course of conduct directed at a specific person that would cause a reasonable person to (A) fear for the person's safety or the safety of others, or (B) suffer substantial emotional distress. For the purposes of this definition: (i) Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens or communicates to or about a person, or interferes with a person's property, (ii) Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim, (iii) Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling, (iv) Any incident meeting

this definition is considered a crime for the purposes of Clery Act reporting (42 U.S.C. § 13925 (a)(30)) or,

- Under Pennsylvania law, stalking occurs if a person: (1) engages in a course of conduct or repeatedly commits acts toward another person, including following the person without proper authority, under circumstances which demonstrate either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person; or (2) engages in a course of conduct or repeatedly communicates to another person under circumstances which demonstrate or communicate either an intent to place such other person in reasonable fear of bodily injury or to cause substantial emotional distress to such other person. 18 Pa.C.S. § 2709.1.
- Stalking may be accomplished by physical act or electronic means, such as computer or cell phone.

Robbery: The taking or attempting to take anything of value from the care, custody or control of a person or persons by force or threat of force, violence and/or causing the victim fear.

Aggravated Assault: An unlawful attack by one person upon another for inflicting severe or aggravated bodily injury. This type of assault is usually accompanied using a weapon or by means likely to produce death or great bodily harm. It is not necessary that injury result from an aggravated assault when a gun, knife or other weapon is used which could or probably would result in a serious potential injury if the crime were successfully completed.

Burglary: The unlawful entry of a structure to commit a felony or a theft. For reporting purposes this definition includes unlawful entry with intent to commit a larceny or a felony, breaking and entering with intent to commit a larceny, housebreaking, safecracking, and all attempts to commit any of the preceding offenses.

Motor Vehicle Theft: The theft or attempted theft of a motor vehicle. (All cases are classified as motor vehicle theft where automobiles are taken by persons not having lawful access even though the vehicles are later abandoned, including joy riding.)

Arson: Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, motor vehicle or aircraft, personal property, etc.

Liquor Law Violations: The violation of laws or ordinances prohibiting: the manufacture, sale, transporting, furnishing, possessing of intoxicating liquor; maintaining unlawful drinking places; bootlegging; operating a still; furnishing liquor to a minor or intemperate person; using a vehicle for illegal transportation of liquor; drinking on a train or public conveyance; all attempts to commit any of the preceding offenses. (Drunkenness and driving under the influence are not included in this definition.)

Drug Abuse Violations: Violations of state and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include opium or cocaine and their derivatives (morphine, heroin, codeine), marijuana, synthetic narcotics (Demerol, methadone) and dangerous non-narcotic drugs (barbiturates, Benzedrine).

Illegal Weapons Law Possession: The violation of laws or ordinances dealing with weapon offenses, regulatory in nature, such as: manufacture, sale, or possession of deadly weapons, carrying deadly weapons, concealed or openly, furnishing deadly weapons to minors, aliens possessing deadly weapons, all attempts to commit any of the preceding offenses.

Clery reportable offense crime definitions are taken from the FBI Uniform Crime Reporting Handbook.

Awareness programs: Communitywide or audience specific programming, initiatives and strategies that increase audience knowledge and share information and resources to prevent violence, promote safety and reduce perpetration.

Bystander intervention: Safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. Bystander intervention includes:

- Recognizing situations of potential harm.
- Understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervene, identifying safe and effective intervention options, and taking actions to intervene.

Ongoing prevention and awareness campaigns: Programming, initiatives and strategies that are sustained over time and focus on increasing understanding of topics relevant to and skills for addressing dating violence, domestic violence,

sexual assault and stalking, using a range of strategies with audiences throughout the institution.

Primary prevention programs: Programming, initiatives and strategies informed by research or assessed for value, effectiveness or outcome that are intended to stop dating violence, domestic violence, sexual assault and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe direction.

Risk reduction: Options designed to decrease perpetration and bystander inaction and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

Prompt, fair, and impartial proceeding: A proceeding that is completed within reasonably prompt timeframes designated by an institution's policy, including a process that allows for the extension of timeframes for good cause and with written notice to the accuser and the accused of the delay and the reason for the delay;

Conducted in a manner that:

- Is consistent with the institution's policies and transparent to the accuser and accused.
- Includes timely notice of meetings at which the accuser or accused, or both, may be present.
- Provides timely and equal access to the accuser, the accused, and appropriate officials to any information that will be used during informal and formal disciplinary meetings and hearings.
- Contains no conflict of interest or bias on behalf of the officials toward either the accuser or the accused.
- Ensures the conducting officials have, at a minimum, received annual training on the issues relating to dating violence, domestic violence, sexual assault and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

Advisor: Any individual who provides the accuser or accused support, guidance, or advice.

Programs to prevent dating violence, domestic violence, sexual assault and stalking: Comprehensive, intentional and integrated programming, initiatives, strategies and campaigns intended to end dating violence, domestic violence, sexual assault and stalking that:

- Are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research or assessed for value, effectiveness, or outcome; and consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community and societal levels.

Programs to prevent dating violence, domestic violence, sexual assault and stalking include both primary prevention and awareness programs directed at incoming students and new employees and ongoing prevention and awareness campaigns directed at students and employees.

Proceeding: All activities related to a noncriminal resolution of an institutional disciplinary complaint, including, but not limited to, fact-finding investigations, formal or informal meetings and hearings. Proceeding does not include communications and meetings between officials and victims concerning accommodations or protective measures to be provided to a victim.

Result: Any initial, interim, and final decision by any official or entity authorized to resolve disciplinary matters within the institution. The result must include any sanctions imposed by the institution.

Unfounded Crimes: An institution may withhold, or subsequently remove, a reported crime from its crime statistics in the rare situations where sworn or commissioned law enforcement personnel have fully investigated the reported crime and based on the results of this full investigation and evidence, have made a formal determination that the crime report is false or baseless and therefore “unfounded.” Only sworn or commissioned law enforcement personnel may “unfound” a crime report for purposes of reporting under this section. The recovery of stolen property, the low value of stolen property, the refusal of the victim to cooperate with the prosecution and the failure to make an arrest do not “unfound” a crime report.

Consent: Consent is when clearly understandable words or actions manifest a knowing, active, voluntary, present, and ongoing agreement to engage in specific sexual or intimate contact. Relying solely on non-verbal communication can be unclear and lead to misunderstandings and harmful consequences for all parties

involved. Individuals should be able to articulate why and how they knew they had received consent and what they considered to be indications of consent before they engaged in sexual activity.

Consent is not present when an individual does not have the capacity to give consent. Inability to give consent can be due a physical or mental condition, or the age of consent as defined by law. Things that can impair the ability to give consent include, but are not limited to, disability, the voluntary or involuntary consumption of drugs or alcohol, unconsciousness, sleep, or where the person is unaware that sexual activity is occurring.

Crime Rates and Statistics for 2025 Reporting

The *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* [20 U.S. §1092(f)] is a federal law that requires colleges and universities to disclose information about crime on and around their campuses. The following pages provide crime rates and statistics for each of HU's campuses for the 2024, 2023, and 2022 calendar years as federal law requires.

The Clery Act requires the following "Clery Crimes" must be reported:

- Murders
- Robberies
- Burglaries
- Arson
- Sex Offenses
- Liquor Law Violations
- Weapons Possessions
- Stalking
- Manslaughter by Negligence
- Aggravated Assaults
- Motor Vehicle Thefts
- Domestic Violence
- Dating Violence
- Drug Abuse Violations
- Hate Crimes

These crimes are sorted by year and location of occurrence. Crimes reported in the "On-Campus Student Housing" columns are also accounted for in the "On-Campus" column.

Information of reported hate crimes for each campus is also provided and includes statistics obtained from the local law enforcement using good faith efforts. This information includes the year, the type of offense, where the incident occurred on campus, and the type of discrimination involved. Types of discrimination reported include discrimination based on gender, religion, national origin, sexual orientation, gender identity, ethnicity, or disability. In addition, the Pennsylvania Uniform Crime Reporting Act mandates the release

of crime statistics and rates to matriculated students and employees, and, upon request, new employees, and applicants for admission.¹

¹ NOTE: Clery requires that all incidents be reported annually. This includes incidents, that despite being reported, were unfounded by HU, not criminally prosecuted by local authorities, or not resulting in a conviction within the judicial system.

² NOTE: If a reported incident occurred in student housing, it must be counted under Clery in both the student housing column and the on-campus column of the statistical report. This is because under Clery, HU's student housing is deemed on-campus.

³ All reported non-campus events for the Harrisburg Campus in 2024, 2023 and 2022 took place at Steelton-Highspire High School, adjacent to HU's aquaponics lab. No incidents were reported directly within the area of HU's program.

⁴ HU's Clery Report does not include information reported at UPMC Harrisburg Hospital; however, does include statistics for incidents that took place within the hospital complex.

⁵ This incident took place at the Harrisburg Amtrak station and did not involve HU students, faculty, or staff.

⁶ Incident took place at a nearby hotel and did not involve HU faculty, staff, or students

⁷ This incident was reported to Amtrak police upon the train's arrival into the Harrisburg station.
